## There Is A Lot of It In THIS SALE . . .

Here is your opportunity to attend a sale where the offering comprises three entire small, but very select Shorthorn herds. A combination of circumstances has made it necessary for each of these three owners to disperse of their herds in entirety and the fact that they were able to join in presenting this sale offers one of the best buying opportunities of the spring sale season.

Lloyd E. Crouch of Hinton, Iowa, offers 27 Lots. Leo Haverkamp of Remsen, Iowa, sells the same number and Howard V. Reilly of Sergeant Bluff, Iowa, sells his entire herd numbering 23 lots. Here is a total of 100 head of richly bred, modern type Shorthorns selling at the Sioux City Stockyards on Tuesday, February 18. Remember again that selling here is every animal brought to you direct from the farms of the above three breeders. They are 100% working herds that are making money and can and will do the same for you. I urge you not to miss this three-in-one dispersion where opportunities for the selection of outstanding animals is abundant.

## LLOYD E. CROUCH, Hinton, Iowa

Is dispersing his entire herd in this sale numbering 27 Lots, including his young herd bull, Red Dust, the Grand Champion of the 1945 Tri-State Show and Sale. His outstanding dark colored, good head, smooth typey calves are one of the features of this sale and he, himself, will be one of the better young tried sires to be sold this year.

The Crouch herd was started in 1912 by Lloyd's father, O. W. Crouch, and through the use of outstanding herd bulls at all times, has seen its production rank high in Interstate and Tri-State shows and sales. Hillbrook Serenade, Reserve Champion bull at the 1942 Interstate Show and Sale did a real job of improving the Crouch cow herd. Perfection Secret, Reserve Champion bull of the 1939 Interstate Show and Sale by Sumption Bros.' Perfection Ladas was another great breeding bull used in this herd and six own daughters of this bull are included in the Crouch offering which is made up of two bulls, seven cows and calves, twelve bred cows and heifers and six open heifers. Females are calfhood vaccinated for Bang's and sell with clean tests.

You buy individuals in this consignment such as only are available in dispersal offerings.

## Remember!

Cattle such as these are only available in such dispersion sales as this. You are not buying the tops of one herd, but the tops of three outstanding Iowa herds. The maximum efficiency of any beef animal is its ability to convert grass, hay and grain into beef. You won't find more profitable beef making machines anywhere than these 102 head offered in this sale.

## LEO HAVERKAMP, Remsen, Iowa

Sells 27 lots including 3 bulls, 9 cows and calves, 11 bred cows and heifers and 4 open heifers. Mr. Haverkamp exercised keen judgment when he established this herd in 1935 with the selection of foundation females from the herds of Frank Jackson, Lloyd Crouch, Marvin Smith, Holz Bros. and R. J. Egger. Here is a real practical farm herd of popular bloodlines and really thick, deep bodied, rugged, good headed, short legged Shorthorns.

Browndale Rex, a son of Browndale Hero and out of a Lustre Queen dam by Haylands Dreadnaught, left his stamp on this herd and 8 direct daughters are included in the consignment. The present herd sire, Goldfinder's Combination, is without doubt the best son of Supreme Rival by the \$8,000 Supreme Goldfinder and out of a daughter of the Iowa Junior Champion, Gold Nugget. This line bred Goldfinder will be represented with a great lot of young calves in this sale. Several of the young females are mated to Countess' Double, a solid red son of Double Goldfinder, the noted Holz Bros. sire.

Mr. Haverkamp never hesitated to buy a top female when he saw one and included are daughters of such bulls as the International Grand Champion, Goldfinder Champion, Marmac Lieutenant Robin, Supreme Rival and Brawith Rambler. Here is an entire consignment packed with Browndale and Goldfinder blood that can prove its worth in your herd.

**HOWARD V. REILLY, Sergeant Bluff, Iowa**

Set out in 1942 to build one of Iowa's better Shorthorn herds and has just now brought this herd to the peak of its production when ill health forces him to dispose of it in its entirety. There is a heavy concentration of Goldfinder blood in the Reilly herd also, which includes 2 bulls, 9 cows and calves, 9 bred cows and heifers and 3 open heifers. For his foundation Mr. Reilly chose productions of Haigler Ranch, Holz Bros., George Struve, Sumption Bros. and Dewar Bros.

His present herd bull is Goldfinder Baronet, a son of Goldfinder Emblem by Goldfinder Diamond. He was the top bull in 1945 Dewar Bros. sale and you will be impressed with his calves, the first crop of which is now in this sale. Here is your opportunity to buy direct daughters of such bulls as the \$18,000 Gold Accent, Supreme Rival, Gold Nugget, Supreme Goldfinder, Divide Statesman and Lucy's Gift. One of the bulls in the herd sire battery at Sni-A-Bar Farms, Grain Valley, Missouri, is a Reilly-bred son of Browndale Silver out of a dam by Lucy's Gift 3D. Popular bloodlines and modern type cattle provide a successful combination in the entire Reilly offering and you can profit by the diligent work and careful planning that has gone into the development of this excellent group of Shorthorns.
